DON'T TRY THIS WITH ANY OTHER COPIER.

When we put half a manila folder through a new Minolta EP 310 plain paper copier, we got a razor sharp copy.

Do that with some other copiers, and you could get a jammed machine.

The reason the EP 310 keeps going when some copiers stop, is because it has an extremely short, straight paper path. That means it's virtually jam proof.

It's also some indication of the advanced thinking and design that went into this machine.

The EP 310 will copy practically anything on practically any paper. Including transparencies for an overhead projector, lined legal paper, or your own letterhead. And it will copy 3-dimensional objects or anything else from 5½ x 8½ to 10 x 14 inches.

Minolta's exclusive fine-grain micro-toner system gives you the same high quality copies you expect from the big expensive machines.

But our copiers aren't expensive. And it's so microbly sleek and compact that it will fit on a desk-top.

And there are features on the EP 310 that will help save you money from the first day it's in your office. Like a toner recycling system, an energy saving standby mode, and an ability to copy on both sides of paper.

Like all machines, the Minolta EP 310 is only human. So if things go wrong a remarkable diagnostic system (the kind you'd expect to find on big machines) tells you what you can do. Or what to tell the repairman over the phone. Saving time and money.

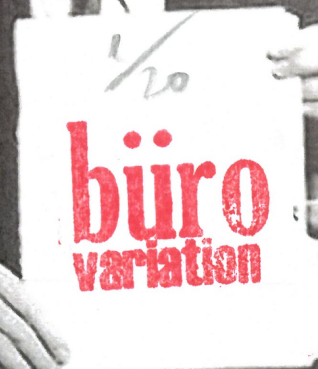

For the name of your nearest dealer, use the Minolta trademark listing under "Copying Machines" in the Yellow Pages. Or call 800-331-1000 toll-free. In Oklahoma: 918-664-8600 (collect) and ask for Operator 59. Or write for literature to Minolta Corp., Business Equipment Division, 101 Williams Drive, Ramsey, NJ 07446.

In Canada: Minolta Business Equipment (Canada) Ltd., Scarborough, Ontario.

The EP 310. It's the copier that can do things a lot of other copiers can't.

JOURNALISME TOURISTIQUE ET AVENIR : JOURNALISME TOURISTIQUE ET AVENIR

L'ART DU TEMPS : POUR PLUS D'HARMONIE, DE CULTURE ET DE VIE. DE VIE.

NOTRE CIVILISATION OCCIDENTALE EST ARRIVÉE À UN TOURNANT DE IDENTALE ET SA RÉALITÉ MAIS AUSSI ET SURTOUT AU SEUIL D'UNE MUTATION FONDAMENTALE. ON PEUT MÊME AFFIRMER AVEC CERTITUDE, QUE LA FIN DE CERMER AVEC MILLÉNAIRE POSERA À L'HUMANITÉ LE PLUS GRAND DÉFI D'IDENTITÉ L'HUMANITÉ L'HISTOIRE DU MONDE. POUR LA PREMIÈRE FOIS, EN EFFET, TROIS RÉVOLUTIONS VONT SE CHEVAUCHER :

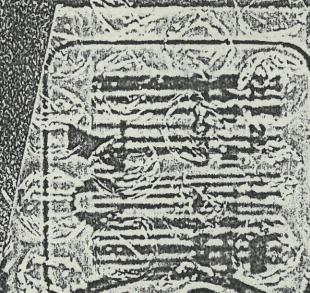

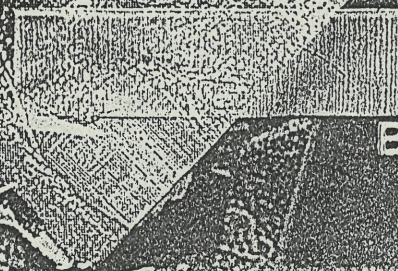

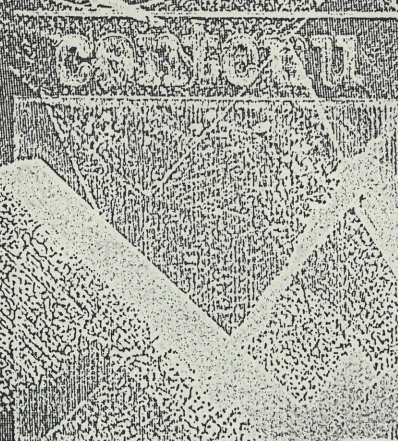

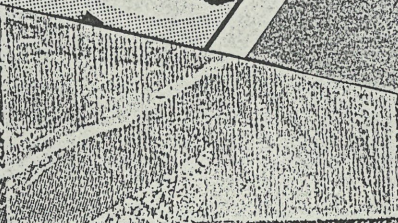

- A) L'EXPLOSION DES TECHNIQUES FAIT DE NOUS DES APPRENTIS SORCIERS,
- B) PAR LA POUSSÉE COLLECTIVE ET SOUDAIN DE LA REVOLUTION DES CONDITIONS SOCIALES ET C'EST JUSTEMENT LÀ UN DES POINTS QUE NOUS DEVONS CONSIDÉRER PLUS AVANT DANS CET EXPOSÉ, CAR CETTE SECONDE RÉVOLUTION EST TRÈS ÉTROITEMENT DÉPENDANTE DE L'INFORMATION GÉNÉRALISÉE ET IMMÉDIATE QUI EST DIFFUSÉE ET QUI SUSCITE PARTOUT FRUSTRATION, AGITATION ET IMPATIENCE,
- C) LE BOULEVERSEMENT DES VALEURS FONDAMENTALES - ÉTHIQUES ET MORALES - QUI AVAIENT ÉTÉ JUSQU'À PRÉSENT, LA BASE DE RÉFÉRENCE DE TOUT L'ÉDIFICE DE NOTRE ESPÈCE ~~ET QUI~~ CONSTITUE LA TROISIÈME RÉVOLUTION.

NOUS POUVONS TOUS LE CONSTATER, NOS INSTITUTIONS, NOS MOEURS, NOS TRADITIONS ET NOS VALEURS PERDENT CHAQUE JOUR UN PEU PLUS DE LEUR SOLIDITÉ.

PLUSIEURS AUTEURS ET GRANDS JOURNALISTES MAIS AUSSI DES PHILOSOPHES CONTEMPORAINS ONT, À UN CERTAIN MOMENT, VANTÉ TRIOMPHALEMENT CERTAINES VALEURS DE NOTRE SOCIÉTÉ INDUSTRIELLE TANDIS QUE DES INDUSTRIELS, DES PROFESSEURS D'ÉCONOMIE OU LES DEUX À LA FOIS COMME LE BELGE OU LES JOSEPH BASILE, NOUS FONT PRENDRE CONSCIENCE QUE NOTRE FIN DE SIÈCLE POURRAIT BIEN ÊTRE UNE FANTASTIQUE FALAISE AU BOUT DE LA ROUTE QUELLE NOUS RISQUONS TOUS LE GOUFFRE IRREMEDIABLE.
